

# MATERIALS NEEDED

## From This to That Seed Summer Art Camp 2016

We have a creative and earth-friendly summer art camp planned for this year, focused on art made with sustainable materials. **We have made a commitment to avoid using any recyclable plastics for our art projects this summer. Part of the curriculum will be educating children about which plastics are recyclable and which are not.**

In order to give our students the best experience as possible, we need STUFF! As you're doing your spring cleaning, let us help you by putting some of these items to use this summer:

Altoid boxes (metal)	nuts and bolts
appliances (small, to take apart)	paper towel tubes
beads	pasta/noodles (old)
beans	plastic tubing
bottle caps	playing cards
boxes (small/large)	popsicle sticks
bubble wrap	puzzle pieces
buttons	ribbon
cereal boxes	screw drivers
clothespins	seashells
coffee stirrers	seeds
containers (small)	sticks (small)
corks	straws
egg cartons	styrofoam trays
fabric scraps	tape
flashlights (working)	toilet paper tubes
found objects	toothpicks
gears	toys (small random pieces)
hammers	washers
keys	wire
lids	wood scraps (small)
magnets	yarn
